

Excess Eats

WASTE LESS, PAY LESS

1,300,000,000 tons

That's a ton of tons of food

1,500,000 tons

And a lot of food waste just in NYC

2030

Zero waste by

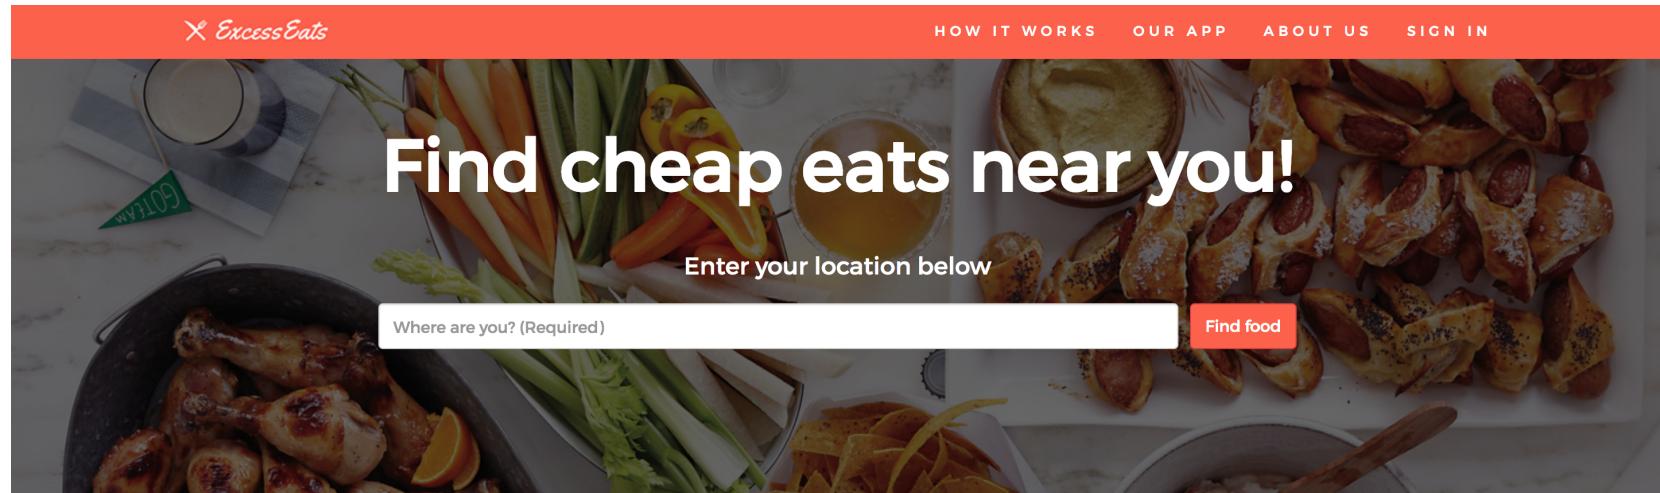

ExcessEats is a simple user-friendly platform that connects surplus foods from *restaurants* to *hungry* and *budget conscious* consumers at a discounted price targeted during closing hours.

We believe it is a triple win

Lettuce help you find what you need

HOW IT WORKS

The Where

The What

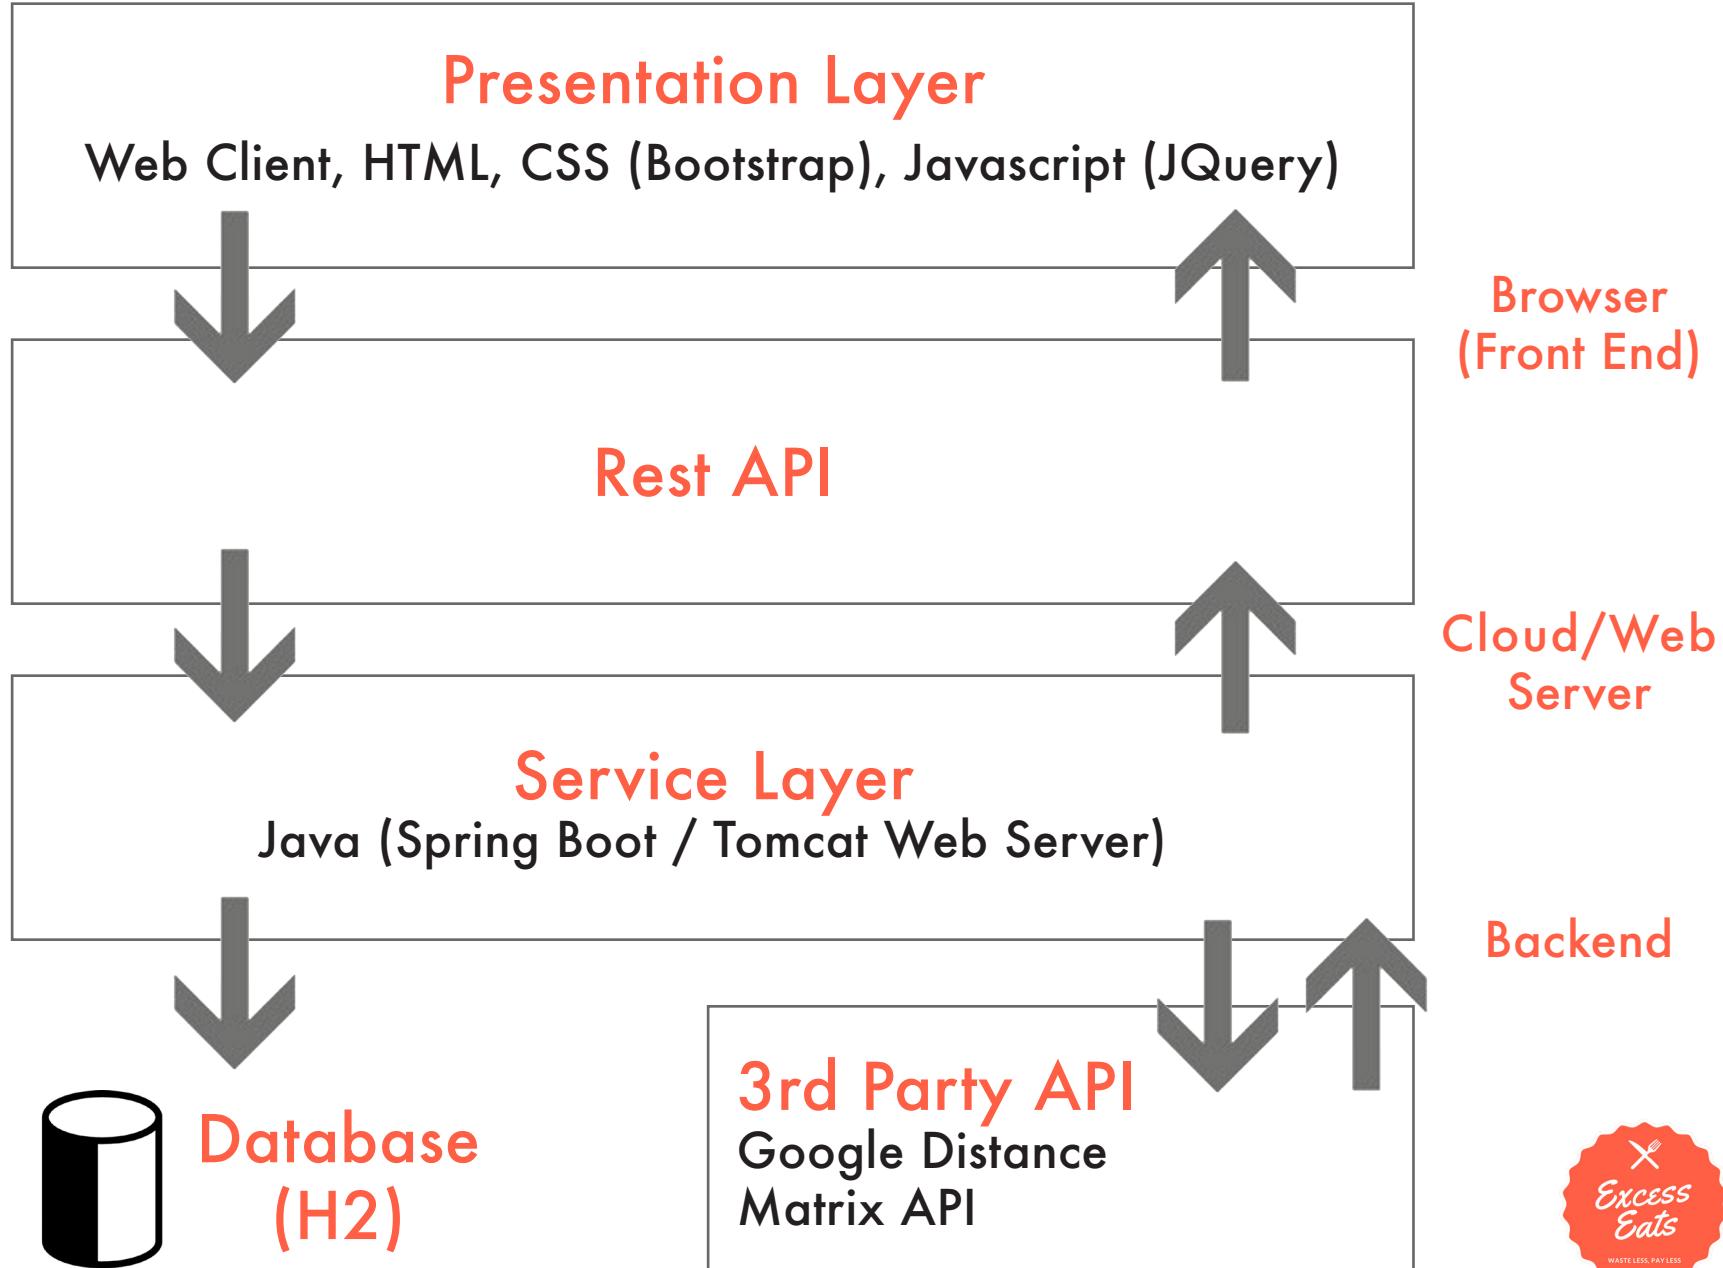

The Pickup
